

## Chief Engineer Unlimited CoC (Exam Route)

### Intended For

Engineer Officers wishing to attain a certificate of competency as Chief Engineer for vessels of unlimited power in the unlimited area.

### Entry Requirements

Medically fit holding an ENG1 certificate. 42 months sea service from entry, including 18 months whilst holding a MCA STCW '95 Reg. III/2 CoC as Second Engineer Unlimited on ships over 1,500kW including 9 months on ships over 3,000kW, which must be verified by appropriate watchkeeping certificates and testimonials, as specified by the MCA. A MCA Notice of Eligibility.

### Duration

2 terms equating to about 6 months for all the academic subjects and engineering knowledge. 6 weeks for engineering knowledge only if full exemptions from all the academic subjects are held, or they have been completed whilst studying for Second Engineer Unlimited. If only partial exemptions or some subjects are held then duration will be by arrangement.

### Content

Studies for 4 SQA/MCA written exams in the academic subjects Applied Mechanics, Applied Heat, Marine Electrotechnology and Naval Architecture, and 2 SQA/MCA written exams in General Engineering Knowledge, and Motor and/or Steam Engineering Knowledge. Candidates may hold some or all exemptions from the academic subject exams, or have previously completed them whilst studying for Second Engineer Unlimited. Preparation for MCA oral exam.

**Structure**
